***How to Publish a Book for Pleasure, Profit or Publicity and How to Write a Book in Less Than 7 Days***

**For the first time ever, these popular, life-changing books are available in bookstores all across Australia!**

*“Totally inspirational – makes the process of publishing easy and affordable.” ~ Kathleen Crumblin, author of Rainbow Dreams*

If you’ve ever dreamed of writing a book but don’t know how to get started or think it’s too expensive, difficult, or time-consuming, the well-known writer/publisher known throughout Australia as “The Publishing Queen” can show you how it’s done.

In *How to Publish a Book for Profit, Pleasure or Publicity* and *How to Write a Book in Less Than 7 Days*, The Publishing Queen takes would-be authors by the hand and walks them through the process of writing and publishing. As she puts it, “These two books will put you on your path to success quickly and easily, truly making self-publishing as easy as 1, 2, 3.”

From common-sense encouragement on getting started to concrete advice on everything from how to keep the creative juices flowing to ensure your book gets finished to the actual nitty gritty of writing and editing to creating a step-by-step book publishing plan, these two books leave no room for such thoughts as “I just don’t know how to approach this” or “If only I’d...” Affirms The Publishing Queen, “Absolutely anyone can write a book.”

Glowing testimonials include this one by Fred Cameron, author of *Making It in MLM*: “[The Publishing Queen’s] extensive, practical knowledge of the writing process, from creating a title to the final stages of publication, gave me the understanding and incentive I needed to complete a book I had been avoiding for 10 years.”

Perhaps best of all, both books are now available at bookstores throughout Australia as well as at [www.thepublishingqueen.com/bookstore](http://www.thepublishingqueen.com/bookstore).
